We would appreciate if your family could donate a small item to contribute to an "ice cream" theme basket for our silent auction. Donation boxes are available in the classrooms!

Artist of the Month

Alexander Calder

(August 22, 1898 - November 11, 1976) was an American sculptor known as the originator of the mobile, a type of moving sculpture made with delicately balanced or suspended shapes that move in response to touch or air currents. Calder created monumental stationary sculptures he called called stabiles.

He also produced wire figures, jewelry, painting and printmaking, and notably a miniature circus work that was performed by the artist.

We are a nut-free facility!
Please do not send peanut or

Sunflower butter is a great
alternative to peanut butter!

National Poetry Month is the largest literary celebration in the world, with tens of millions of readers, students, teachers, librarians, booksellers, publishers, bloggers, and of course, poets marking poetry's important place in our culture and our lives.

Engage your student in National Poetry Month at home by reading poetry with them and helping them to create their own poetry!
